

CENTRACOMM

Trusted to secure and manage high-performance networks.

Dear Student,

Millstream Career Center will open the doors for you to learn about careers in Cybersecurity. Through this program students will be immersed in hands-on experiences that will expose students to the skills that are needed to be a professional. Other interactive activities include, networking, coding, Linux, and progressing towards the use of the cyber range. Meetings will be once a month (November – April) during the 2021-2022 school year. This program will feature representatives from the Marathon Petroleum Corporation, the University of Findlay, Millstream Career Center, and Findlay City Schools. Exploring is a co-ed program open to students ages 14-20 years of age who have completed the 8th grade. Our first meeting will be held at Millstream Career Center 1150 Broad Ave. Findlay, Ohio where we will meet in person.

Open House | Tuesday, November 30, | 6:00pm-7:00pm
